Name: Kerry Nielsen  
Title: Architect  
Business Address: 15 East South Temple St.  
City, State, Zip: Salt Lake City, UT 84150  
Phone: (801) 240-6448

☐ Please check if any of the above information has changed since previous year.

II. Mining and Reclamation

1. Was there any mine related activity during the past year? Yes ☒ No ☐
2. If no - what was the last year of activity? n/a
3. If yes - how much ore or mineral was mined? 7700 tons

4. Briefly describe the type of work performed, volume of material moved, and any new or additional surface disturbances that occurred during the past year.  
Large Granite boulders are drilled and broken  
on site. Smaller boulders are transported by 980  
class loader to load out area. Approximately 7700  
tons of stone were removed during the period.
5. How much additional acreage was disturbed during the past year? 3 ac.
6. How much acreage was reclaimed during the past year? 0 ac.
7. Briefly describe the reclamation work performed during the past year. This description should include methods employed, and an evaluation of the results.  
n/a
8. What is the total disturbed acreage of entire project at years end? 3 ac.
9. Briefly summarize any mining and/or reclamation plans for the upcoming year.  
Extraction work will continue in the same manner  
as this year.

**NOTE:** Section III., "Additional Information" applies only to large mining operations.

**III. Additional Information**

1. An updated surface facilities map should be attached if there have been significant changes since the previous map was submitted. see attached
2. Any monitoring results or other reports that are required under the terms of the approved notice of intention should also be attached.

**IV. Signature Requirement**

I hereby certify that the foregoing is true and correct.
